

CIRCUIT NEWSLETTER

OCTOBER 2024

Hello October

As long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night will never cease.

Genesis 8:22

Dear Friends...

It seems to me that life is ever increasingly busy with information coming at us from all angles especially for those of us who use the technology of computers, tablets, and mobile phones of one sort or another. Such technology can be very useful, but it does bring pressures too – not least in often creating an expectation of an instant response with no time to pause and reflect.

I'm sure many like me have been visiting a Cathedral in some city or other when there is a disembodied voice through the loudspeakers inviting visitors to pause and to pray. I am always impressed with that and do take the time to do just that. It reminds me though of the need to do that every day and also to always do that as we look at the ministry and witness of our local churches. In all our conversations and planning as a Circuit we need to take time to pause, reflect and pray, so that we may discern God's way forward.

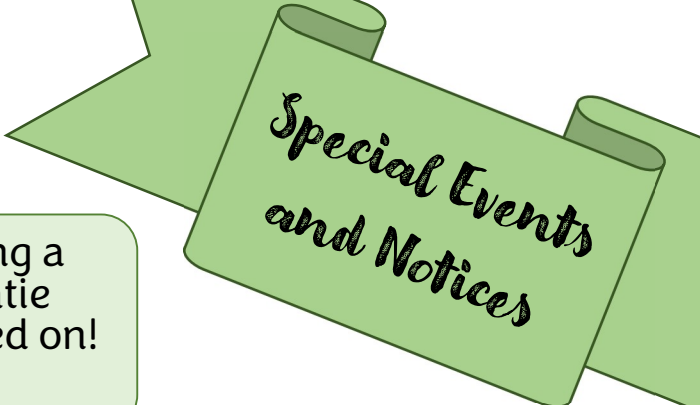

Prayer can of course be expressed in formal words and patterns, in our own words or indeed in silence. From my own experience I can say that my 'best' prayers are often those when words run out! Recently we met as Christians Together in Hornsea to share in the Week of Prayer. One of the reflections on that time together was how good it was simply to sit and be in prayer together - holding the silence as well as the spoken words together.

Equally, we need to pause and listen! God does answer prayer in all sorts of ways, but we have to be ready and notice the answer which may not be as we expected or desired. It may confirm our own ideas, or it may take us in unexpected ways!

So, let us pray.....

Every Blessing,

Deacon Jackie Fowler
